DATE MAILED:

Commissioner for Patents

The Amendment filed on 12/20/2006 is non-compliant because it has failed to meet the requirement of 37 CFR 1.121. In order for the amendment document to be compliant, correction of the following item(s) is required. Only the corrected section of the non-compliant amendment document must be resubmitted (in its entirety), for example the entire "Amendments to the claims" section of applicant's amendment document must be resubmitted.

In the Amendment filed on 12/20/2006, Applicants amended the claims by including SEQ ID NOs:1, 2, 3, 4, and 5. However, proper prosecution of these claims is impossible because there is no CRF that would correspond to the SEQ ID NOs and thus the search of the claimed SEQ ID NOs cannot be preformed by examiner.

As the non-compliant amendment is a reply to a non-final Office Action and since the amendment appears to be a bona fide attempt to be reply (37 CFR 1.135(c)), applicant is given a TIME PERIOD of ONE MONTH from the mailing of this notice within which to re-submit the corrected section which complies with 37 CFR 1.136(a). Any inquiry concerning this communication or earlier communications from the examiner should be directed to Agnes Rooke whose telephone number is 571-272-2055. The examiner can normally be reached on Monday-Friday from 6 AM to 3:30 PM. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Kathleen Kerr Bragdon at 571-272-0931. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>.
